

# RIDGETRAK A/T II

## LIGHT TRUCK, ALL-TERRAIN TIRE

The Ridgetrak A/T II is an all-terrain tire for pickup trucks and SUVs. Enhanced 3PMS certified traction, deep tread depth while incorporating a wide tread face provides superior performance for all on and off road driving conditions. Known for consistent reliability, the Ridgetrak A/T II is engineered to be your trusted all-terrain tire.

### COMFORT

Finite Element Analysis simulation software optimizes pitch sequence to reduce resonance effects and aids in a quiet vehicle cabin.

### ENHANCED TRACTION

Deep all-terrain tread lugs and altered shoulder tread blocks work together providing traction on all terrains and in all seasons.

### TREADWEAR

A wide tread footprint with additional shoulder support promotes even pressure distribution and avoids irregular wear.

Le Ridgetrak A/T II, un pneu tout-terrain actualisé pour camionnettes et VUS, offre une traction certifiée 3PMS, une profondeur de sculpture élevée et une large bande de roulement pour des performances supérieures sur route et hors route. Fiable et performant, il est votre allié tout-terrain.

### CONFORT

Le logiciel de simulation d'analyse des éléments finis optimise la séquence du pas pour réduire les effets de résonance et contribue à rendre l'habitacle du véhicule plus silencieux.

### TRACTION ACCRUE

Des pavés de bande de roulement tout-terrain profonds et des blocs de bande d'épaule modifiés travaillent ensemble pour offrir une traction sur tous les terrains et en toutes saisons.

### USURE DE LA BANDE DE ROULEMENT

Une bande de roulement à empreinte large avec du soutien supplémentaire en matière d'épaulement favorise une répartition de la pression uniforme et permet d'éviter l'usure irrégulière.
